No. 181. AMENDING: Resolution Number 1153, approved December 21, 1979, which authorized the sale of property in the 13th Ward, being 6 buildings and 2 lots on Kelly Street and Fleury Way, designated as Block 174-J-Lots 110-110B, 111, 112A, 113A, 113B, 113E and 114, to Bernice S. Sandidge for the sum of \$6,500.00.

The reason for the above Amendment is to delete incorrect information (A 3 Sty. Fra. Hse.) in parcel 174-J-110, as the house had been razed, and this parcel is a lot, only.

All else in Res. #1153 shall remain the same and in effect.

RESOLUTION AMENDING: Item (G) of Resolution number 1210, approved November 21, 1980, which authorized the sale of property in the 26th Ward, being 2 vacant lots on Spring Garden Avenue (plan lots 8 and 9) designated as Block 78-L, Lot 167 to Milton A. Werner and Sandra L. Werner, his wife, for the sum of \$750.00.

The reason for the above Amendment is that it was discovered during the title search that the City of Pittsburgh does not have a marketable title

for plan lot #8, as the property was improperly taken, and must be re-acquired in the next Treasurer's sale.

Therefore this parcel-Plan lot #8 will be deleted from the sale and the price reduced from \$750.00 to \$450.00.

RESOLUTION increasing the indebtedness of the City of Pittsburgh by the issuance and negotiated sale of its General Obligation Capital Notes in the denomination of \$_____ each in the aggregate principal amount of \$9,000,000, for the purposes of paying a portion of the cost of acquiring and constructing its Capital Improvement Program, and certain other purposes; fixing the form, number, date(s), interest rate(s) and maturity(ies) thereof; levying a tax for payment of debt service charges; authorizing the issuance, execution, sale and delivery of the notes; pledging the payment of principal of _____, interest and premium, if any, on the notes; and authorizing the filing for approval of said debt with the Department of Community Affairs, and authorizing the payment of the required filing fee therefor; authorizing investments; authorizing the use of the official statement and acknowledging the accuracy of the official statement, if both such actions are recommended by the Controller and the Treasurer; covenanting that this Resolution is a contract with the holders of the notes; covenanting that the notes will not become arbitrage bonds; ratifying and confirming prior actions and obligations; authorizing other necessary or convenient actions; establishing the effective date of this Resolution; and repealing inconsistent resolutions and ordinances.

WHEREAS, it is necessary at this time that the general obligation indebtedness of the City of Pittsburgh ("City") be increased by the amount of \$9,000,000, the aggregate principal amount of the City of Pittsburgh General

Obligation Capital Notes, 1981 Series B ("Note or Note(s) or Notes"), to be issued hereunder, for the purpose of paying a portion of the costs of acquiring and constructing its Capital Improvement Program (an itemization of those City departments having projects which are to be financed with portions of the proceeds of the Notes, representing the amounts of such proceeds by departments, having been set forth in Schedule 1 annexed hereto and made a part hereof by reference thereto and is hereinafter referred to as the "Program"), which is on file for public inspection in the office of the City Clerk, and for the further purposes of capitalizing interest on the Notes to such date, if any, set forth in Exhibit 1 of this Resolution, paying the cost related to the issuance of the Notes, all in accordance with the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, Act No. 52 of 1978 ("Act"); and

WHEREAS, the City has obtained realistic cost estimates from persons qualified by experience to make such estimates of the costs of the Program; and

WHEREAS, the City has heretofore conducted a public hearing on this Resolution in accordance with its Home Rule Charter; and

WHEREAS, no part of the Program represents assessable

improvements as to which the costs thereof are or will be assessed against properties benefited thereby; and

WHEREAS, it is not in the best interests of the residents of the City to postpone the accomplishment of the Program pending receipt of anticipated grants in aid, which grants in aid are not the sole security for the Notes, but the Notes are general obligations of the City as hereinafter set forth; and

WHEREAS, any such grants in aid will be used to redeem the Notes as quickly as possible or to finance additional capital projects included in the Program but not anticipated to be financed with the proceeds of the Notes and for which funding is not otherwise expected to be available on a timely basis; and

WHEREAS, the Notes are not being issued as bond anticipation notes pursuant to Section 408 of the Act, and the City has not covenanted to exchange bonds for the Notes at any time; and

WHEREAS, the City has heretofore conducted negotiations for the private sale of the Notes, has received a proposal annexed hereto as Exhibit 1 and made part hereof by reference thereto, and acknowledges receipt of the bid security required under Section 706 of the Act from the Purchaser as hereinafter defined.

The collection of said tax shall commence with fiscal year 1981.

SECTION 9. The City hereby covenants with the holders, from time to time, of each of the Notes, and the coupons, if any, thereto appertaining, in compliance with Section 404 of the Act, that it will include the amount of debt

For such budgeting, appropriation and payment the City hereby pledges its full faith, credit and taxing power. This covenant shall be specifically enforceable.

SECTION 10. There is hereby established a sinking fund for the payment of the Notes. If said sinking fund is the sinking fund for more than one (1) issue of bonds or notes, a separate debt service account for each issue may be established therein. All moneys realized from the taxes hereby levied and other moneys shall be paid into said sinking fund as necessary and credited as required, and shall be applied exclusively to the payment of the principal of the Notes at maturity and interest thereon when due and payable, and premium, if any, to which purpose they are subject to a perfected security interest. The City hereby covenants to make payments out of said sinking fund at such times and in such amounts as are sufficient for the payment of the principal of, interest on, and premium, if any, on the Notes as the become due and payable. The Sinking Fund Depositary shall, without further action by the City, withdraw needed money from the sinking fund and apply it to the payment of debt service on the Notes. The City Treasurer is authorized and directed to invest the required bid security submitted by the Purchaser.

SECTION 15. The City hereby covenants with the holders from time to time of the Notes that no part of the proceeds of the Notes will be used, at any time, directly or indirectly, in a manner which, if such use had reasonable been expected on the date of issuance of the Notes, would have caused the Notes to be arbitrage bonds within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and the regulations proposed or promulgated thereunder at the time of such use and applicable to obligations issued on the date of issuance of the Notes.

Recitals are hereby adopted in full.

SECTION 18. Pursuant to the Home Rule Charter, it is hereby acknowledged that the effective date of this Resolution will be the fifth day after such publication, except as between the City and the original Purchaser of the Notes, if awarded, in which case the effective date shall be the date of final adoption hereof. It is hereby further acknowledged that it is expected that the Department of Community Affairs will approve the incurring of the debt evidenced by the Notes approximately twenty (20) days after the submission of the request for such approval by the City, and that settlement for the Notes will take place approximately seven (7) days thereafter. The reason for the above repealing resolution is that the purchaser has not complied with the Agreement of sale. Therefore, the hand money of William A. Baker, in the amount of \$100.00 is to be forfeited.

No. 527. AMENDING: Item (O) of Resolution number 289, approved April 16, 1980, for the sale of property in the 31st Ward, being vacant land on Coke and Niceville Streets and Basic Avenue, designated as Block 90-S-19 (consisting of Plan lots 626-627-628); 90-S-55-56-71-72-73-74-75-99 & 101, to Peter J. Caruso, (Hays Land and Development) for the sum of \$4,400.00.

Plan lot #626 of parcel - 90-S-19 was deleted because of improper acquisition, and the sale price was reduced from \$4,400.00 to \$4,100.00. Amendment #700, approved July 29, 1980.

The reason for the above Amendment is to change the Block and Lot number of parcel 90-S-74 to 90-S-81. The Title Search on the property revealed that after the subdivision of the original lot into 2 abutting lots, designated as Block 90-S-74 and 90-S-81, respectively, the wrong lot was included in this sale. The property intended for this sale is on Niceville Street, and should have been Block and Lot 90-S-81, which fronts on Niceville, and not 90-S-74, which fronts on Vane Street.

All else in Item (O) of Resolution #289 shall remain the same and in effect.

The full faith, credit and taxing power of the City are hereby irrevocably pledged for the prompt and full payment of all the obligations of this Bond and fulfillment of the covenants in the Resolution.

It is hereby further certified that an annual tax sufficient for the payment of all future charges on the issue of Bonds of which this Bond is a part has been properly levied and assessed and that said tax is not in excess of any legal limitation.

SECTION 7. Public Financial Management Company, Financial Advisor to the City, has reviewed for the City the difference between a public sale and a private sale by negotiation or upon invitation, each as authorized and permitted by Section 701 of the Act, and, as a result of such review, the City has determined that sale by negotiation would be in the best interest of the City for this issue, and hereby authorizes the Mayor, Treasurer and Controller to obtain a negotiated bid from a syndicate managed by Merrill Lynch White Weld Capital Market Group; Morgan Guaranty Trust Company of New York; Blyth Eastman Paine Webber; Mellon Bank, N.A.; Pittsburgh National Bank and others (the "Purchasers").

The following provisions of the Resolution are conditional upon the acceptance by the City of a satisfactory bid from the Purchasers all as required by, and in compliance with, the Act.

SECTION 8. There shall be imprinted on the Bonds a facsimile of the corporate seal of the City and a facsimile signature of the Mayor, and the City Controller is hereby authorized and directed to countersign manually each of said Bonds and the City Treasurer shall countersign said Bonds by causing a facsimile of his signature to be imprinted thereon. There shall also be affixed to each coupon attached thereto the facsimile signature of the City Controller. In case of the absence or disability of any such official, the Bonds shall be signed by the City official

authorized by law or by resolution of City Council to act in his place. The City Controller is hereby authorized and directed to deliver said Bonds at his office to the Purchaser or in such other places as the Purchaser shall request, at the Purchaser's expense and receive payment therefor on behalf of the City after sale of the Bonds in the manner required by law; provided, however, that said Bonds shall not be sold for less than that stipulated in the successful bond bid with accrued interest to the date of delivery and payment.

SECTION 9. There is hereby levied and assessed upon all persons and property subject to taxation for the City's purposes, an annual tax in each of the fiscal years that any Bonds remain outstanding of so many mills as will yield amounts sufficient for the payment from time to time of the interest covenanted to be paid on said Bonds and the principal thereof at maturity, which taxes shall be sufficient for and shall be applied exclusively to said debt service charges as the same shall from time to time become due and payable. The collection of said tax shall commence with the fiscal year beginning January 1, 1982.

SECTION 10. The City covenants with the holder of each of the Bonds, in compliance with Section 404 of the Act, that it will budget, appropriate and duly and punctually pay said interest and principal payments on the Bonds at the times and places and in the manner stated in the Bonds according to the true intent and meaning thereof, and for such budgeting, appropriation and payment the City pledges its full faith, credit and taxing power. This covenant shall be specifically enforceable.

SECTION 11. There is hereby established a sinking fund for the payment of Bonds, said fund to be known as the Series of 1981 Sinking Fund. All moneys realized from the taxes hereby

levied and other general tax revenue moneys otherwise required shall be paid into the Series of 1981 Sinking Fund as required, and shall be applied exclusively to the payment of the principal on the Bonds at maturity or upon redemption, and interest and taxes thereon, to which purpose they are hereby irrevocably pledged. The payments required are set forth in Exhibit "B" attached hereto and made a part thereof.

The City further covenants to call for redemption, and hereby authorizes and directs the Paying Agents and Sinking Fund Despositories to act on its behalf, on the dates and in the principal amounts set forth above. The Bonds which are subject to mandatory redemption shall be callable in the manner heretofore set forth.

The City hereby covenants to make payments out of the Series of 1981 Sinking Fund at such times and in such annual amounts as are sufficient for the payment of the interest and principal on the Bonds as they become due at maturity. It is hereby authorized and directed that \$_____ for the payment of interest due on the first installment thereof under the terms of the Bonds shall be deposited in said Sinking Fund from the proceeds of the sale of said bond issue and used for the payment of said interest. The moneys in said Series of 1981 Sinking Fund may be invested at the direction of the City at any time, all in accordance with applicable law.

SECTION 12. The Mayor and the City Controller are hereby authorized and directed to contract with Mellon Bank, N.A., Pittsburgh, Pennsylvania, and _____, New York, New York, for their services as the Depositories for the Series of 1981 Sinking Fund and Paying Agents for the Bonds, at such annual charges as shall be reasonable for such services.

SECTION 13. The City Council hereby directs that the necessary documentation be filed with the Department of Community Affairs so that the nonelectoral debt incurred hereunder may be approved a nonelectoral debt of the City. It is therefore declared that the net nonelectoral debt of the City to be incurred hereby, together with all presently existing net debt of the City, will not be in excess of the constitutional limitations as set forth in the Local Government Unit Debt Act. The Mayor, the City Controller and the City Clerk are hereby authorized and directed to prepare, verify and file the necessary "Debt Statement" required by Section 410 of the Local Government Unit Debt Act and to submit the same, together with an "Application for Approval" of said indebtedness and the necessary filing fee of \$15.00, to the Department of Community Affairs, pursuant to and in conformity with the Local Government Unit Debt Act, as promptly as practicable, and to do and perform all other acts proper and necessary in connection therewith. The reason for the above Amendment is to delete the house from the sale and reduce the price. Because of a recent fire at the site, the building has been declared unsafe and uninhabitable by the Bureau of Building Inspection. Our Bureau has further notified us that an emergency exists, and that the building must be razed as soon as possible. The City and the Paying Agents may deem and treat the bearer of this Bond or, if it be registered as herein provided, the person in whose name this Bond is registered, as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof, and for all purposes

other than to receive payment of interest represented by outstanding coupons, and may deem and treat the bearer of each coupon appertaining hereto as the absolute owner thereof for the purpose of receiving payment therefor, and neither the City nor the Paying Agents shall be affected by any notice to the contrary.

No covenant or agreement contained in this Bond or the Resolution shall be deemed to be a covenant or agreement of any member, officer, agent or employee of the City in his individual capacity, and no official executing this Bond shall be liable personally on this Bond or be subject to any personal liability or accountability by reason of the issuance of this Bond.

The proceedings authorizing the issuance of the Bonds have been duly approved by the Department of Community Affairs of the Commonwealth of Pennsylvania, and all other actions have been duly taken and conditions have been fulfilled which are requisite in connection with the issuance of this Bond, and in the creation of the debt of which this is evidence. The debt represented by this Bond, together with all other nonelectoral debt of the City, as defined in the Act, is not in excess of any constitutional or statutory limitation. The City has covenanted in the Resolution to include in each annual budget of the City amounts sufficient to pay debt service on the Bond when due, to make annual appropriations of such amounts and to pay said debt service in full when due and has also covenanted to make no use of the proceeds of this Bond issue which would make the Bonds "arbitrage bonds" under the Internal Revenue Code of 1954, as amended, similar statutory provision or any rule or regulation thereunder. The full faith, credit and taxing power of the City are hereby irrevocably pledged for the

prompt and full payment of all the obligations of this Bond and fulfillment of the covenants in the Resolution.

The Bonds maturing on March 1, 2001, March 1, 2004 and March 1, 2006, are subject to mandatory redemption prior to maturity, by lot within a maturity, pursuant to the operation of the Series of 1981 Sinking Fund at one hundred percent (100%) of the principal amount thereof, plus accrued interest to the date fixed for redemption, on the dates and in the amounts specified in the Resolution.

Notice of such redemption shall be given by publication once at least thirty (30) days before the redemption date in a daily newspaper of general circulation in the City and a newspaper of general circulation in New York, New York, and mailed postage prepaid to all registered owners of the Bonds to be redeemed as their addresses appear in the Bond Registry Book. Notice shall also be mailed to all holders of bearer Bonds to be redeemed who, within two (2) years thereof, have filed their names and addresses with the Paying Agent for the purpose of receiving such notices.

In addition, a copy of each redemption notice shall be mailed to Moody's Investors Service, Inc., and to Standard & Poor's Corporation, and the Daily Bond Buyer, all of New York, New York, or their successors, provided such corporations or their successors are in existence and furnishing municipal investment information. Failure to mail

such notices or any defects therein, shall not affect the validity of the proceedings for the redemption of the Bonds.

If notice of redemption shall have been duly published and the City, on or before the redemption date, shall have provided funds for the payment of the principal of the Bonds so called for redemption and interest thereon to the date of redemption, interest on such Bonds shall cease to accrue after said redemption date.

A certificate evidencing an MGIC Indemnity Corporation ("MGIC") Municipal Bond Insurance Policy covering Bonds maturing on March 1, 2001 is printed on the reverse side of this Bond. Since MGIC's policy unconditionally guarantees the full and timely payment to the Paying Agent of all moneys due on this Bond, the holder of this Bond, by his acceptance hereof, hereby waives the right of acceleration upon default after thirty (30) days' prior written notice to which he would otherwise be entitled under the provisions of the Act, so long as the provisions of the aforementioned MGIC policy are being promptly and fully met by the MGIC member companies.

Reference is hereby made to the Resolution and the Act for a complete statement of the rights and limitations of rights of the holders of the Bonds, to all of which the holder hereof by acceptance of this Bond assents.

This Bond is transferable by delivery unless registered other than to bearer. It may be registered as to principal in the name of the bearer upon the books of the Treasurer of the City of Pittsburgh, as Registrar, and such registration shall be made thereon and by endorsement on the back hereof by said Registrar. After such registration, no transfer hereof shall be valid except upon the books of said Registrar, by the registered owner in person or by duly authorized attorney; provided, however,

that this Bond may be transferred to bearer at the option of the holder or holders hereof and transferability by delivery thereby restored and shall continue to be subject to successive registrations or transfers to bearer at the option of the holder or holders from time to time but no such registrations of principal shall affect the negotiability of the coupons hereto, which shall continue to be transferable by delivery.

The City and the Paying Agents may deem and treat the bearer of this Bond or, if it be registered as herein provided, the person in whose name this Bond is registered, as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof, and for all purposes other than to receive payment of interest represented by outstanding coupons, and may deem and treat the bearer of each coupon appertaining hereto as the absolute owner thereof for the purpose of receiving payment therefor, and neither the City nor the Paying Agents shall be affected by any notice to the contrary.

No covenant or agreement contained in this Bond or the Resolution shall be deemed to be a covenant or agreement of any member, officer, agent or employee of the City in his individual capacity, and no official executing this Bond shall be liable personally on this Bond or be subject to any personal liability or accountability by reason of the issuance of this Bond.

The proceedings authorizing the issuance of the Bonds have been duly approved by the Department of Community Affairs of the Commonwealth of Pennsylvania, and all other actions have been duly taken and conditions have been fulfilled which are requisite in connection with the issuance of this Bond, and in the creation of the

debt of which this is evidence. The debt represented by this Bond, together with all other nonelectoral debt of the City, as defined in the Act, is not in excess of any constitutional or statutory limitation. The City has covenanted in the Resolution to include in each annual budget of the City amounts sufficient to pay debt service on the Bond when due, to make annual appropriations of such amounts and to pay said debt service in full when due and has also covenanted to make no use of the proceeds of this Bond issue which would make the Bonds "arbitrage bonds" under the Internal Revenue Code of 1954, as amended, similar statutory provision or any rule or regulation thereunder. The full faith, credit and taxing power of the City are hereby irrevocably pledged for the prompt and full payment of all the obligations of this Bond and fulfillment of the covenants in the Resolution.

SECTION 8. Public Financial Management Inc., Financial Advisor to the City, has reviewed for the City the difference between a public sale and a private sale by negotiation or upon invitation, each as authorized and permitted by Section 701 of the Act, and, as a result of such review, the City

has determined that sale by negotiation would be in the best interest of the City for this issue, and has heretofore authorized the Mayor, Treasurer and Deputy City Controller to obtain a negotiated bid from a syndicate managed by Merrill Lynch White Weld Capital Markets Group, Merrill Lynch, Pierce, Fenner & Smith, Incorporated; Morgan Guaranty Trust Company of New York; Blyth Eastman Paine Webber, Incorporated; Mellon Bank, N.A.; Pittsburgh National Bank; L.F. Rothschild, Unterberg, Towbin and Dean Witter Reynolds Inc. (the "Purchasers").

The Contract of Purchase dated July 1, 1981 between the City and the Purchasers for the purchase of the Bonds at a price of \$66,264,500, plus accrued interest thereof from July 1, 1981 to the date of delivery presented to this meeting is hereby accepted and the Mayor, Deputy Controller and City Solicitor are authorized and directed to execute acceptance of the Contract of Purchase and to deliver the accepted Contract of Purchase to the Purchasers.

SECTION 9. There shall be imprinted on the Bonds a facsimile of the corporate seal of the City and a facsimile signature of the Mayor, and the Deputy City Controller is hereby authorized and directed to countersign manually each of said Bonds and the City Treasurer shall countersign said Bonds by causing a facsimile of his signature to be imprinted thereon. There shall also be affixed to each coupon attached thereto the facsimile signature of the Deputy City Controller. In case of the absence or disability of any such official, the Bonds shall be signed by the City official authorized by law or by resolution of City Council to act in his place. The Deputy City Controller is hereby authorized and directed to deliver said Bonds at his office to the Purchaser or in such other places as the Purchaser shall

request, at the Purchaser's expense and receive payment therefor on behalf of the City after sale of the Bonds in the manner required by law; provided, however, that said Bonds shall not be sold for less than that stipulated in the Contract of Purchase with accrued interest to the date of delivery and payment.

SECTION 10. There is hereby levied and assessed upon all persons and property subject to taxation for the City's purposes, an annual tax in each of the fiscal years that any Bonds remain outstanding of so many mills as will yield amounts sufficient for the payment from time to time of the interest covenanted to be paid on said Bonds and the principal thereof at maturity, which taxes shall be sufficient for and shall be applied exclusively to said debt service charges as the same shall from time to time become due and payable. The collection of said tax shall commence with the fiscal year beginning January 1, 1982.

SECTION 11. The City covenants with the holder of each of the Bonds, in compliance with Section 404 of the Act, that it will budget, appropriate and duly and punctually pay said interest and principal payments on the Bonds at the times and places and in the manner stated in the Bonds according to the true intent and meaning thereof, and for such budgeting, appropriation and payment the City pledges its full faith, credit and taxing power. This covenant shall be specifically enforceable.

SECTION 12. The City hereby authorizes the purchase and acceptance of MGIC Indemnity Corporation ("MGIC") Municipal Bond Insurance Policy insuring the Bonds maturing March 1, 2001 and directs that the appropriate premium shall be promptly paid at the closing of the issuance of the Bonds. A certificate evidencing the MGIC Municipal Bond

Insurance Policy shall be printed on each Bond maturing March 1, 2001. Since MGIC's policy unconditionally guarantees the full and timely payment to the Paying Agent and Sinking Fund Depositary of all moneys due on the Bonds maturing March 1, 2001, the holders of such Bonds by their acceptance thereof will waive all rights of acceleration upon default after thirty (30) days' prior written notice to which they would otherwise be entitled under the provisions of the Act, so long as the provisions of the aforementioned MGIC policy are being promptly and fully met by the MGIC member companies.

SECTION 13. All Moneys required to pay the principal of, and interest on, the Bonds, when due shall be paid into the City's Sinking Fund as required, and shall be applied exclusively to the payment of the principal on the Bonds at maturity or upon redemption, and interest thereon, when due, to which purpose they are hereby irrevocably pledged.

The City further covenants to call for redemption and payment, and hereby authorizes and directs the Paying Agents and Sinking Fund Depositary to act on its behalf, the Bonds maturing March 1, 2001, 2004 and 2006, on the dates and in the principal amounts set forth on Exhibit "B". Such Bonds shall be callable in the manner heretofore set forth.

The City hereby covenants to make payments out of the Sinking Fund at such times and in such annual amounts as are sufficient for the payment of the interest and principal on the Bonds as they become due at maturity. It is hereby authorized and directed that \$4,197,000 for the payment of interest due on the first installment hereof under the terms of the Bonds shall be deposited in said Sinking Fund from the proceeds of the sale of said bond issue and used for

the payment of said interest. The moneys in said Sinking Fund may be invested at the direction of the City at any time, all in accordance with applicable law.

SECTION 14. The Mayor and the Deputy City Controller are hereby authorized and directed to contract with Mellon Bank, N.A., Pittsburgh, Pennsylvania, and Morgan Guaranty Trust Company, New York, New York, for their services as Paying Agents for the Bonds and with Mellon Bank, N.A. of Pittsburgh, Pennsylvania, for its services as the Depositary for the Series of 1981 Sinking Fund at such annual charges as shall be reasonable for such services.

SECTION 15. The City Council hereby directs that the necessary documentation be filed with the Department of Community Affairs so that the nonelectoral debt incurred hereunder may be approved as nonelectoral debt of the City. It is therefore declared that the net nonelectoral debt of the City to be incurred hereby, together with all presently existing net debt of the City, will not be in excess of the constitutional limitations as set forth in the Local Government Unit Debt Act. The Mayor, the Deputy City Controller and the City Clerk are hereby authorized and directed to prepare, verify and file the necessary "Debt Statement" required by Section 410 of the Local Government Unit Debt Act and to submit the same, together with an "Application for Approval" of said indebtedness and the necessary filing fee of \$15.00, to the Department of Community Affairs, pursuant to and in conformity with the Local Government Unit Debt Act, as promptly as practicable, and to do and perform all other acts proper and necessary in connection therewith. Promptly, upon receipt of the approval from the Department of Community Affairs, the

Bonds in fully executed definitive form shall be delivered to the Purchaser.

SECTION 16. The Preliminary Official Statement, dated June 9, 1981, prepared with respect to the Bonds is hereby approved and its distribution is hereby ratified; and the Final Official Statement, dated July 1, 1981, is hereby accepted in the form presented and the Deputy City Controller and the Treasurer are authorized and directed to execute the Final Official Statement and deliver the same to the Underwriter.

SECTION 17. All moneys derived from the sale of said Bonds are hereby appropriated to the purposes herein stated; provided, however, that as permitted by Section 309 of the Act said purposes may be changed by resolution at any time.

SECTION 18. The City hereby covenants with the holders from time to time of the Bonds that it will make no use of the proceeds of the Bonds which, if such use had been reasonably expected on the date of such Bonds, would have caused such Bonds to be "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and the regulations thereunder, and that it will comply with the requirements of said Section and said regulations throughout the terms of the Bonds.

SECTION 19. The proper officers of the City are hereby authorized and directed to prepare, execute and deliver all other certificates, documents and instruments required to be submitted by the City pursuant to the terms of the Contract of Purchase.

SECTION 20. It is hereby authorized and directed pursuant to the Act that this Resolution shall become valid and effective on the fifth day after

the Notice of Final Enactment has been published in a newspaper of general circulation in the City, said Notice of Final Enactment to be published no later than fifteen (15) days after the adoption of the Resolution.

No. 770. WHEREAS, the City was unable to foresee such events and the City cannot meet and pay the amount aforesaid within the current fiscal year ending December 31, 1981; and

WHEREAS, the taxes and other revenues remaining to be collected in the current fiscal year ending December 31, 1981 and funds on hand will not be sufficient, without a curtailment of municipal services to an extent endangering the health and safety of the citizens of the City and it would not be in the public interest of the City to levy a sufficient tax for the balance of this fiscal year; and

said Debt. After a hearing on such petition, the Court made an order, dated July 7, 1981 (the "Order"), granting authority to the City of Pittsburgh to fund the Debt by the issuance of Notes, a copy of the Order being attached hereto as Exhibit "A"; and

WHEREAS, in order for the City to meet its tax refund obligations, the City desires to increase its non-electoral indebtedness in the amount not to exceed \$10,000,000, by the issuance of general obligation term loan notes, substantially in the form presented to and reviewed at this meeting in the total principal amount not to exceed \$10,000,000 and to pay the costs of issuance of the Notes which costs shall be subject to approval by the Court of Common Pleas of Allegheny County, Pennsylvania (the "Project"); and

Four years after issue date	3,330,000.00
Five years after issue date	3,330,000.00

If the City draws less than \$10,000,000 from the authorized note

issuing capability, the City shall comply with the terms above in order of maturity until that part of the total debt outstanding scheduled to mature in any future year, is repaid.

The Notes shall be subject to prepayment without premium or penalty at the option of the City as a whole at any time or in part from time to time, provided that any partial payment shall be in inverse order of maturities.

For such budgeting, appropriation and payment, the City hereby pledges its full faith, credit and taxing power. This covenant shall be specifically enforceable.

SECTION 9. The City Council hereby authorizes that the necessary documentation be filed with the Department of Community Affairs so that the nonelectoral debt incurred hereunder may be approved as

nonelectoral debt of the City. Promptly, upon receipt of the approval from the Department of Community Affairs, the Notes shall be delivered to the Purchasers.

SECTION 10. The City Controller and City Treasurer or Deputy City Treasurer are hereby authorized to establish a trust fund, to be known as Real Estate Refund Trust Fund S.T.F. SECTION 13. All monies derived from the sale of the Notes are hereby appropriated to the purposes herein stated and shall not be used for any other purposes. The City hereby covenants with the holders of the Notes that it will make no use of the proceeds of the Notes which, if such use had been reasonably expected on the date of such Notes, would have caused such Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and the regulations proposed or promulgated thereunder, at the time of such use and applicable to obligations issued on the date of issuance of the Notes.

SECTION 14. No. 957. RESOLUTION amending: Resolution No. 704, approved July 23, 1981, which was intended to correct information contained in Item (C) of Resolution No. 455, approved May 8, 1981, for the sale of property in the 15th Ward, being 2 vacant lots on Forrester Street, designated as Block 55-A, Lots 264 and 265, to Michael C. DiNardo and Lawrence V. DiNardo, for the sum of \$700.00

The provisions of Resolution No. 704 were to amend the description of Lot - 55-A-265, and read as follows:

Lot 25.17 X 75.95 X 25 X 73.05 Forrester Street, Plan Lot #3, 15th Ward of Pittsburgh. Acquired from James Parker, Etal, by Sheriff's sale on June 4, 1900, D.T.D. 895, December Term, 1900. Recorded in the office of Recorder of Deeds in D.B.V. 15, pages 536-7-8 on July 27, 1900. Cost to acquire: \$54.20, designated as Block 55-A, Lot 265.

It now appears that, because of an error in the sheets from the City Planning Department, the information contained in Resolution No. 704 is also incorrect. Therefore, the reason for the above Amending Resolution is to correct all of the incorrect information given, and will supersede any and all previous descriptions. Description should read:

15th Ward of Pittsburgh, Acquired from: William Kern by Sheriff's Sale on March 12, 1921, D.T.D. 131, January Term 1914, Recorded in the office of the Recorder of Deeds in D.B.V. 1896, page 304, on

December 21, 1921. Cost to acquire: \$86.41, Lot 25.17 X 87.59 X 25 X 84.68 Forrester Street, Plan Lot #7, Also designated as Block 55-A, Lot 265.

No. 958. RESOLUTION amending: Item (O) of Resolution Number 867, approved August 20, 1980, which approved the sale of property in the 5th Ward, being 2 - 2 Story, Brick, Row houses located at 120-124 Erin Street, designated as Block 10-J, Lots 56, 57, to Reynold Lester, for the sum of \$2,000.00.

The reason for the above Amending Resolution is that the buildings have collapsed, and the Building Inspectors determined that the remainder of the building had to be removed. This work was completed on July 20, 1981. The purchaser has agreed to continue purchase of the land, only. Therefore, the price of the property will be reduced to \$1,000.00, reflecting the sale of land, only.

Description of property is now as follows: Lot 23.54 X 115, 120 Erin Street, designated as Block & Lot 10-J-56, and Lot 16.65 x 57.5, 124 Erin Street, designated as Block & Lot 10-J-57.

All else in Item (O) of Resolution No. 867 shall remain the same and in effect.

No. 1174. RESOLUTION repealing Res. No. 863, approved August 25, 1980, which repealed Res. No. 573, approved May 30, 1978, for the sale of property in the 13th Ward, being a 2 Story, Brick house on 7505 Finance Street, designated as Block 175-B, Lot 246-A to Willie Lee Boykin and Gwendolyn Boykin, his wife, for the sum of \$850.00.

The reason for repealing Res. No. 573 was that the property had been badly vandalized during the sales process, and the purchaser requested a refund of his hand money.

However, in consideration of serious objection to the refunding by the Solicitor, and of the facts that the transactions were concluded, and the purchaser had been notified that the deed was available, and of the existence of a contractual obligation to pay the Title company costs, the refund was not completed.

It now appears that an interested party is willing to assign the above subject

property, and complete the sale.

Therefore, be it now resolved that Resolution No. 863, of August 25, 1980 be repealed, and Resolution No. 573 of May 30, 1978 be re-instated, thereby restoring the validity of the sale, so that it can be assigned and consummated.

No. 1433. RESOLUTION amending: Item (I) of Resolution No. 1119, approved November 11, 1981, which authorized the sale of property in the 20th Ward, being vacant land on Crosby Avenue and Boustead Street, designated as Block 35-N, Lots 216, 221, 223, to Joseph E. Downie and Anna J. Downie, his wife, for the sum of \$550.00

The reason for the above Amending Resolution is to delete Plan Lot No. 10 from the parcel designated as Block 35-N, Lot 216. It has been disclosed that Plan Lot No. 10 has previously been sold, therefore, only Plan Lot No. 9 is available for sale. Instead of Lots 9 and 10, the Resolution and Proposal will read Lot 30 X 120 Boustead Street, Lot No. 9, designated as Block 35-N, Lot 216.

All else in Item (I) of Resolution No. 1119 will remain the same and in effect.

RESOLUTION--Fixing the number of officers and employees of the City of Pittsburgh, and the rate of compensation thereof, and setting minimum levels for designated positions.

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PITTSBURGH AS FOLLOWS:

SECTION 1. That from and after the first day of January, 1982, the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof, shall be and the same are hereby fixed and established as herein set forth.

SECTION 2. To ensure the capacity of the City to provide an effective level of municipal services which will meet the economic, physical and social needs of its citizens, residents, visitors and neighborhoods during the fiscal year for which this Resolution shall be in force, those positions designated by Section 3 of this Resolution shall remain filled for the entire fiscal year, subject to any reasonable time periods required to replace existing officers or employees who leave City employment for any reason during that fiscal year. There shall be no reduction in the number of filled positions so designated unless authorized by a resolution amending this budget resolution, in accordance with Section 507 of the Home Rule Charter of Pittsburgh. If, during the fiscal year, the executive branch determines that the number of employees so mandated in any program can be reduced without substantially effecting the level of services to be provided, the Mayor may request an amendment to this resolution to accomplish that reduction, and shall include with any request of that nature the reasons for the reduction and evidence as to the impact of that reduction upon the level of services provided.

SECTION 3. The minimum levels are established for the following positions:

COMMISSION ON HUMAN RELATIONS

The Commission exists to administer the City's Human Relations Ordinance. Primarily, this involves processing complaints of discrimination on the basis of race, color, religion, ancestry, national origin or place of birth and sex, in employment, housing or public accommodations. Such complaints are designated as "formal" and may be filed by any individual or organization claiming to be aggrieved by an alleged unlawful discriminatory act. The Commission is also empowered to initiate complaints in its own name.

Formal complaints are investigated by the staff and reported to the Commission for decisions. Where discrimination is found to exist, attempts are made to seek a satisfactory adjustment by voluntary conciliation. When conciliation fails, the Commission may hold public hearings, issue orders and otherwise seek legal enforcement of its decision.

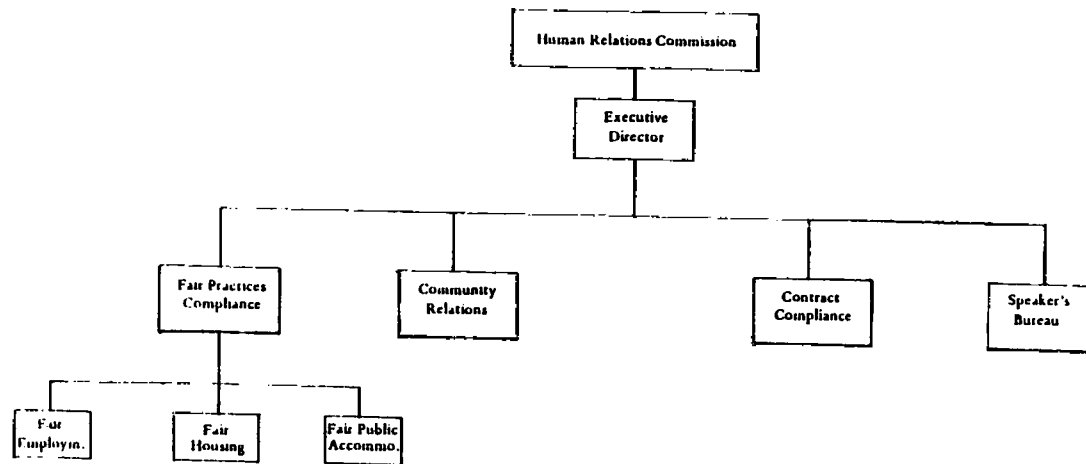

In addition to formal complaints, the Commission is mandated to study and investigate conditions having having adverse effect on intergroup relations in the City of Pittsburgh. Accordingly, the Commission maintains projects in community relations to attempt amelioration of disputes or problems involving prejudice, intolerance or intergroup tension.

The Commission, through its Contract Compliance Specialist, monitors bidders for construction contracts with the City to determine whether or not they comply with equal opportunity and affirmative action provisions required by law. The Contract Compliance Specialist, at the request of the Mayor, also coordinates activities to assure minority businesses a fair opportunity to do business with the City.

In the course of its activities, the Commission is approached often by persons who have problems related to our jurisdiction but not formally within it. Some such matters are processed fully by the staff while others are ultimately referred to another more appropriate agency.

Commission members and staff participate in speaking engagements and similar public information and technical assistance activities to effectuate the goals of the Human Relations Ordinance.

The Department of Law acts as attorney for the City and its officials. It is headed by the City Solicitor who supervises a staff of attorneys, investigators, stenographers and clerks. Its activities involve all branches of City government. The Department renders legal opinions and advice to the Mayor, City Council and the various City departments.

The Law Department represents the City in court actions involving damage claims against the City and in other kinds of actions, including the defense of ordinances against allegation of unconstitutionality; civil rights actions, suits for collection of taxes, enforcement of such ordinances as the Zoning, Building and Traffic Codes; damage claims by the City against persons who have damaged City property or equipment; eminent domain cases dealing with the taking of property for public purposes; and intervention in tax assessment matters to help insure fair valuation of taxable real estate. The Department participates in Workmen's Compensation and Civil Service cases, as well as police and fire trial boards.

The Law Department represents the interests of citizens in proceedings before such regulatory agencies as the Public Utility Commission and the Milk Marketing Board. It seeks to protect the City and its citizens against excessive gas and electric utility rates, milk prices and the like. The Department has opposed efforts by railroads to reduce essential service to the City.

Through its Claims Division, the Department processes claims and recommends payment or settlement in proper cases. The Law Department is responsible for the filing and revival of liens and for the drafting or approval of proposed ordinances, resolutions, deeds, leases, contracts, legal pleadings and briefs.

DEPARTMENT OF CITY PLANNING

The Department of City Planning functions under a nine-member City Planning Commission which is appointed by the Mayor. Planning Commissioners serve without pay for six-year staggered terms. The main function of the Department of City Planning is to recommend to the Mayor and Council on the allocation of resources to promote the orderly development and redevelopment of the City. The resources with which the department deals primarily are private land, which is controlled through zoning and subdivision regulations, and public funds for physical construction, which are controlled through the Capital Program.

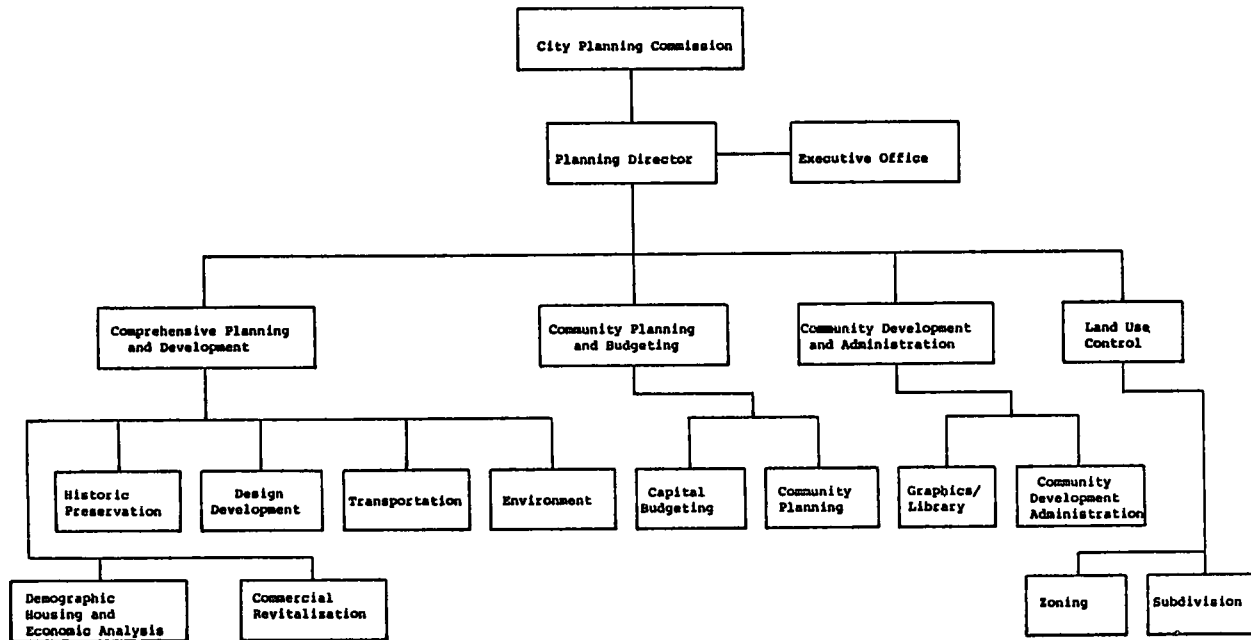

The Commission is required by law to prepare and adopt a Master Plan. This requirement is met through the bi-annual publication of a Six-Year Development Program, which combines in a single document the long-range plans for the City, the current policies and programs for implementing those plans, and a recommended Six-Year Capital Program of specific projects. In addition to the Six-Year Development Program, the department also assists the Mayor in the preparation of an annual Capital Budget and the Community Development Program.

To fulfill its comprehensive planning responsibilities, the department undertakes planning studies in various functional areas, including housing, environment, transportation, recreation and economic development. This work includes liaison with other City and governmental agencies and the monitoring of consultant studies. In conjunction with the development of the Six-Year Capital Program and the annual Community Development Block Grant (CDBG) Program, the department also has been responsible for the development of specific programs.

The department has local legislative responsibilities for administering the zoning ordinance and the subdivision regulations. Development proposals requiring zone changes are reviewed by the planning staff and recommendations are made to the Planning Commission for its consideration. The Zoning Administrator has certain direct responsibilities for the administration of the zoning ordinance. The design and development staff are involved in the review process, reviewing both public and private development proposals for their design quality and to determine their benefit to the City. The staff is also responsible for the development of proposals for City sponsorship.

The department provides an ongoing mechanism for community participation through its community planning program. A professional planner is assigned on a full-time basis, to each of a number of the large residential districts within the City. This planner serves as prime liaison between the local community and the City Planning Department, as technical assistant to local neighborhood groups, and as development coordinator and expeditor of public activities within the community. This mechanism has permitted community groups and individuals to have a voice in the most important recommendations made by the City Planning Commission, including those on the Capital Budget and on the Community Development Block Grant Program.

DEPARTMENT OF SUPPLIES

The Department of Supplies is responsible for procuring all goods and services required by the various City departments. The department is also responsible for the administration of the Bureau of Automotive Equipment, Print Shop, Photography Lab, and Radio Repair Shop.

The General Office advertises for prospective supplies, tabulates the bids received, and awards the contract to the lowest responsible bidder. The department seeks to acquire the needed goods and services at the lowest cost compatible with high standards of quality by promoting vigorous competition through newspaper advertising and maintenance of lists of vendors who are notified of impending City purchases and rentals. The department reviews all goods purchased by the various departments so as to standardize the goods purchased to provide for bulk purchase of these goods at the lowest possible cost to the City and its taxpayers.

The Bureau of Automotive Equipment provides administration and maintenance for the City's fleet of over 1000 vehicles. Additionally, the Bureau is responsible for fueling all City-owned vehicles. In 1980, approximately 1.6 million gallons of fuel were dispensed at the two City-operated fueling facilities.

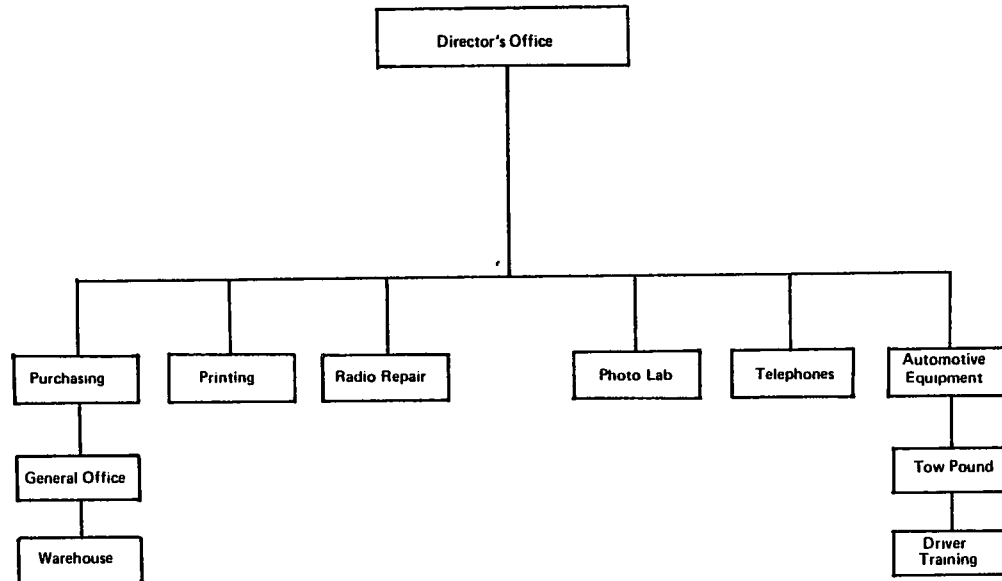

The Photography and Print Shops perform the various duplicating, lithographing, and photography services required by the City.

The Centrex System for all interoffice City calls is coordinated through the Department of Supplies and the department is responsible for all billing on that telephone system as well as the billing and maintenance for the emergency telephone system recently installed in the City of Pittsburgh.

The Radio Repair Shop provides 24 hour maintenance of all the City's police, fire and emergency medical radio communication equipment.

The continuing goal of the Department of Supplies is the maintenance of City services at desired levels at the lowest cost possible.

DEPARTMENT OF ENVIRONMENTAL SERVICES

The Environmental Services Department is responsible for helping City residents maintain a clean, aesthetically appealing, and healthy environment. The Department has four operating divisions to obtain its goals.

- Residential Solid Waste Collection and Disposition
- Vacant Lot and Hillside Maintenance
- Animal Control
- Rodent Control

The Residential Solid Waste Division collects and disposes of household solid wastes on a weekly basis.

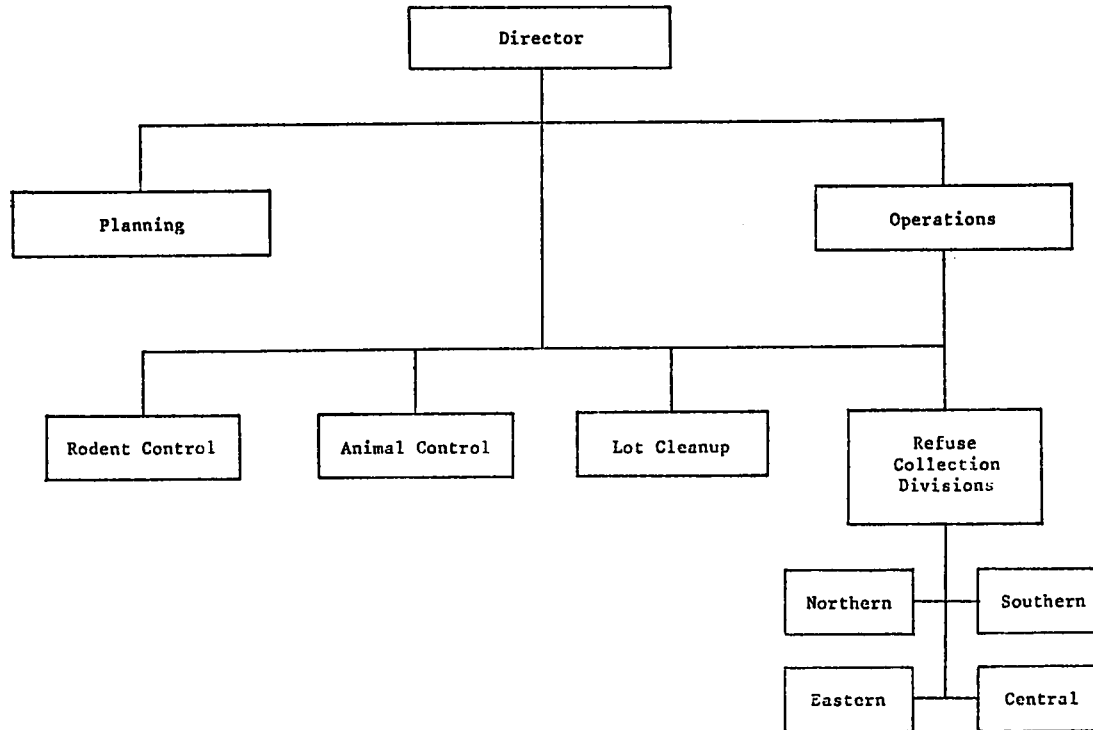

The Vacant Lot Maintenance Division cleans and removes solid wastes from vacant lots and hillsides, in addition to cutting down weeds and grass.

The Animal Control Division is responsible for the enforcement of the ordinances governing the conditions imposed on the City's animal population and animal owners.

The Rodent Control Division has the responsibility of advising the general public on the connection between a neglected environment and rodent infestations, along with monitoring the public's compliance with the City's Code of Ordinances governing solid waste management. In addition, the Rodent Control Division provides for the placement of rodenticides.

These four divisions constitute the major functions of the Environmental Services Department, thus reflecting its purpose: striving for a clean and healthy environment. With the cooperation of the citizens of Pittsburgh, the department is constantly seeking ways to improve its services and be a better asset to the City and its people.

DEPARTMENT OF LANDS AND BUILDINGS

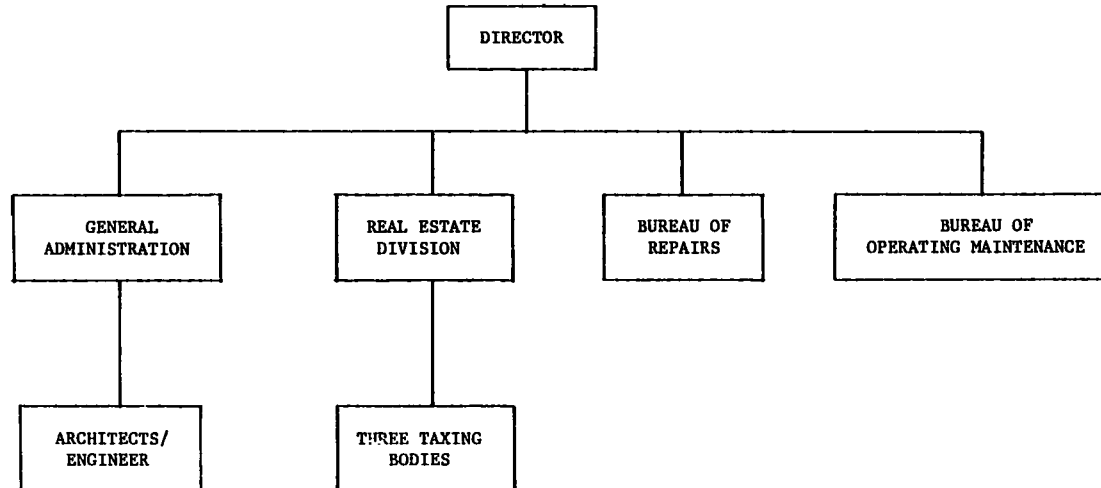

The Department of Lands and Buildings is responsible for properties owned or controlled by the City of Pittsburgh, including property purchases for use by the City and the disposition of those no longer required by City government.

The Department is comprised of the General Office which encompasses the Administrative and Architectural/Engineering staff; the Real Estate Division which includes Three Taxing Bodies employees; the Bureau of Repairs, and the Bureau of Operating Maintenance.

The Architectural/Engineering staff offers professional services to the City in planning new construction or alterations to existing structures. The Real Estate office is engaged in appraisals, lease negotiations for space required by various City agencies in specific geographic areas, and agreements for the purchase or sale of real property. The Real Estate Bureau also serves as liaison for the Three Taxing Bodies, i.e., the City of Pittsburgh, the County of Allegheny and the School District of Pittsburgh in the maintenance and disposition of jointly owned properties.

The Department has two bureaus whose functions are concerned with properties owned exclusively by the City. The Bureau of Repairs involves itself with repairs, alterations and maintenance of City facilities which includes emergency work and minor to semi-major renovations. The Bureau of Operating Maintenance provides housekeeping and custodial services to the City-County Building, Public Safety Building, Police and Fire Stations, and the Police and Fire Training Academy.

DEPARTMENT OF EMERGENCY MEDICAL SERVICES

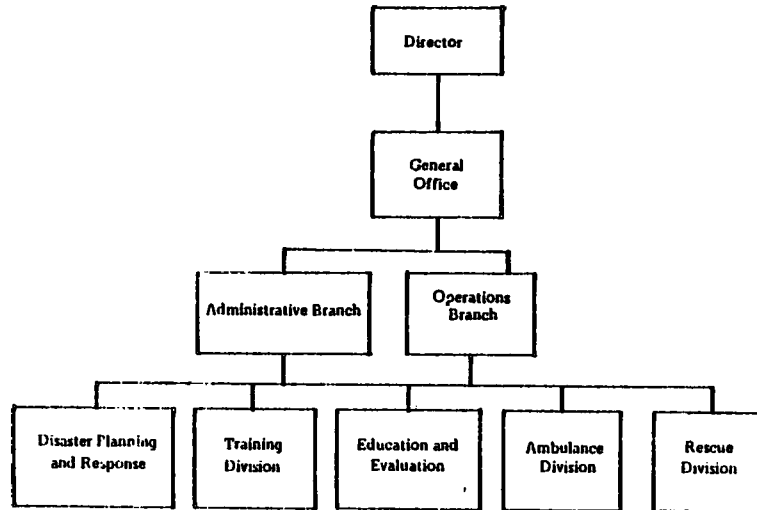

This department provides the citizens of Pittsburgh an Emergency Medical Services (EMS) System capable of administering the ultimate in paramedical care, rescue, and transportation to those citizens critically ill or injured. To achieve this purpose, the department provides an EMS system comprised of two basic branches: Operations and Administrative.

Operations provides the actual administration of paramedical care, rescue, and transportation services for the sick and injured residents. These paramedical services are performed by utilizing 131 paramedics and 17 administrative personnel, all who are highly trained with the most advanced techniques in pre-hospital emergency paramedical care and rescue. This high level training gives the department's personnel the capability of administering life sustaining treatment to the victim of an accident or sudden illness. Furthermore, the rescue training gives the personnel the capability of safely rescuing victims from almost all forms of entrapment. Finally, transportation is provided in 12 modular ambulances known as mobile intensive care units while rescue service is provided by two rescue units fully equipped to utilize the most current rescue practices.

The combination of highly trained paramedics staffing vehicles which have been nationally recognized for their design specifications and medical care capabilities has made this relatively young department one of the finest in the country.

The Administrative Branch provides disaster planning and response, paramedical training, system evaluation and public education. Disaster planning and response is responsible for designing an organized plan for emergency operation of the department to meet the increased demands of a disaster situation. Paramedical training is responsible for maintaining the high level medical skills of presently employed personnel through continuing education classes in addition to training new personnel that are hired. System evaluation is responsible for evaluating patient care and general performance by paramedics including the operations branch as a whole. Public education is responsible for a function that completes and complements the total service system: providing education to Pittsburgh residents on what to do before the paramedics arrive. This education includes Cardiopulmonary Resuscitation (CPR) and basic first aid. Through the joint efforts by the department's paramedical personnel responding to a Pittsburgh resident in need of services and family or neighboring residents providing CPR and basic first aid until the paramedics arrive, Pittsburgh's EMS system will be ideally operating to achieve its purpose: The reduction of mortality and morbidity due to accident and sudden illness for the citizens and visitors of Pittsburgh.

DEPARTMENT OF FIRE

The Fire Department, through 69 fire fighting units housed in 39 stations throughout the City, provides fire protection and fire prevention services to the citizens of Pittsburgh.

All units are equipped with the tools necessary to function as an effective and efficient fire fighting force. While fire suppression is the basic function of the Department, Firefighters also conduct block inspection programs, inspect local residential and commercial buildings, assist in arson investigations, carry out rescue operations, and conduct evacuation drills in cooperation with the Fire Prevention Division.

As mandated by the National Fire Prevention and Control Commission, the Department has a Fire Prevention Division whose personnel inspect all large commercial, industrial, and institutional structures for fire hazards, review building plans for compliance with the Fire Prevention Code, and investigate all complaints from the public pertaining to fire hazards.

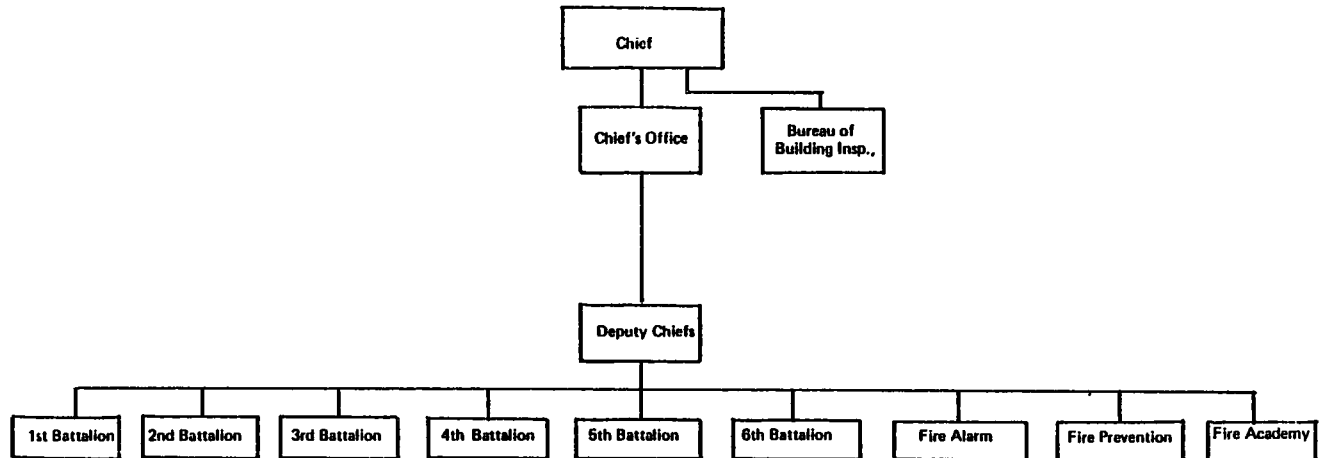

The Arson Squad, a sub-division of the Fire Prevention Division, is responsible for arson detection. It investigates all large or suspicious fires and files detailed reports pertaining to those incidents. They also work in cooperation with the Police Department preparing arson cases for court.

The Fire Chief's office is the administrative center of the Fire Department overseeing all personnel including records, payrolls, and the repair or replacement of all supplies and equipment.

The operation of the Fire Academy is carried out under the auspices of the Chief's office. The Fire Academy staff trains new firefighters in the basic fundamentals of fire fighting and is responsible for in-service training of the fire companies in team concept fire fighting.

The Bureau of Building Inspection is responsible for administration and enforcement of all City housing and building codes.

DEPARTMENT OF PUBLIC WORKS

The Department of Public Works is responsible for two major areas of work which help make the City of Pittsburgh a better place to live, work and play. The Bureau of Engineering is responsible for the design and engineering, either in-house or by contract with outside consultants, of the Public Works projects of the City Capital Improvements Program. It is also responsible for administering the actual construction contracts and providing the field engineers and inspectors who serve to supervise construction for the City. The Bureau of Operations is broken down into divisions which are responsible for maintaining the City's streets, roads, sewers, communications, signs, and all the other items which are necessary to the functioning of a great City.

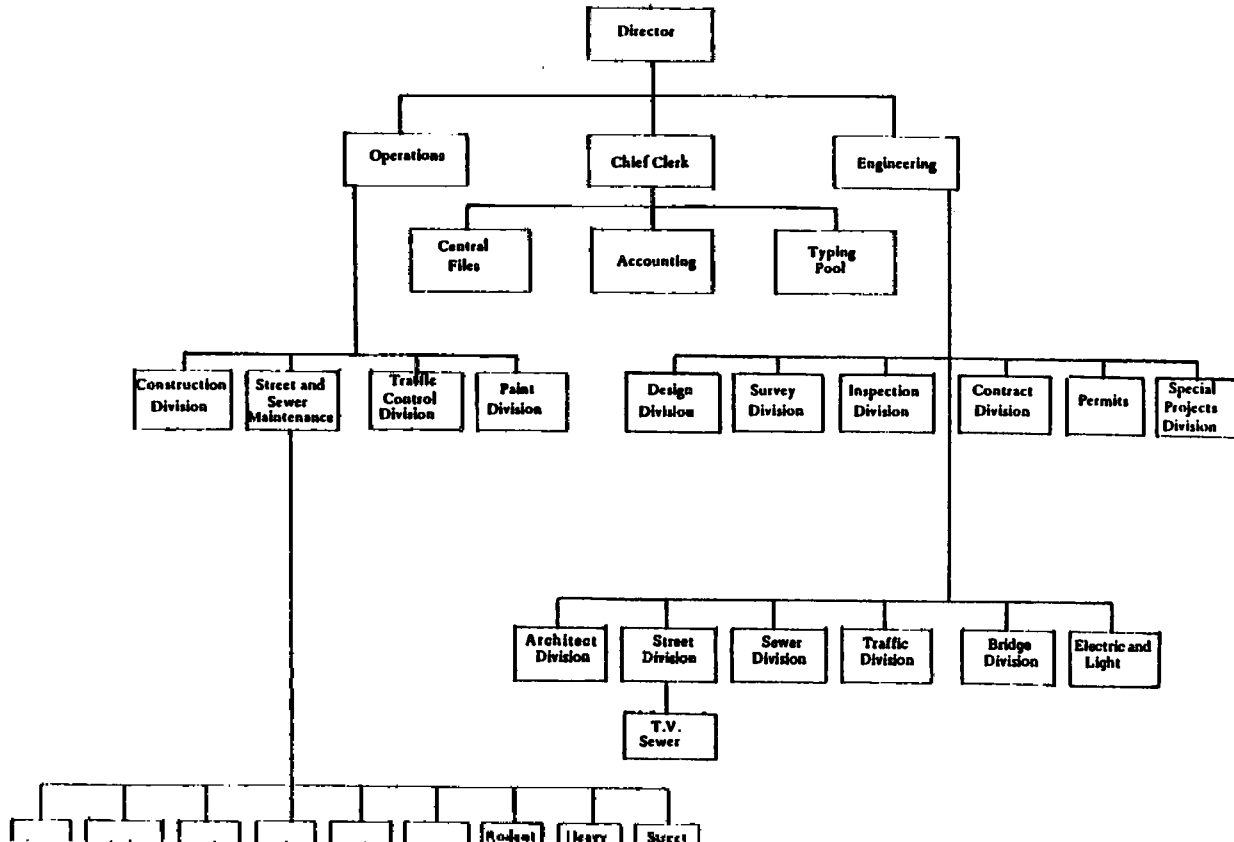

The Construction Division contains special work crews that are capable of undertaking all kinds of special and regular maintenance projects that would be more expensive to do with outside contractors. Many small projects can be built quickly by this division where regular maintenance is not sufficient.

The Street and Sewer Maintenance Division is responsible for maintaining the City's streets, sewers, catch basins and other items. Besides, the six (6) maintenance sections, it also supervises the Heavy Equipment section, Street Repair program and part of the Rodent Control program.

Traffic Control and Communications Division maintains the City's traffic control system.

Finally, the Painting Division paints all of the lines on City streets and produces all of the traffic control signs. It is also responsible for the painting of the City's bridges and a variety of equipment which the City uses and maintains.

DEPARTMENT OF PARKS AND RECREATION

Throughout the year, the City of Pittsburgh Department of Parks and Recreation performs key services that enable Pittsburghers of all ages to partake in physical, cultural, environmental learning and recreation experiences that assure a richer and fuller lifestyle. The Bureaus of Administration, Recreation, Park Maintenance and Engineering develop, maintain and operate programs and facilities that improve the standard of life for all residents.

Balanced and staffed recreation programs are provided in neighborhood recreation centers, senior citizen centers, public schools and playgrounds. Over 2,500 acres of parklands, including swimming pools, picnic shelters, ballfields, tennis courts, parklets and tot lots are maintained on a daily basis. In addition to community facilities, the Department boasts special-interest facilities like the Pittsburgh Zoo, Aviary/Conservatory, Schenley Golf Course, Phipps Conservatory and two ice-skating rinks.

New programs and facilities are implemented and existing programs expanded in direct response to needs expressed by communities. In addition to an informational effort which maintains open lines of communication between the Department and the public, community meetings are scheduled to provide greater forums for discussion and planning of recreational needs. The Department makes significant efforts to survey the impact of its programs and facilities while at the same time working to improve the effectiveness of the overall operations.

No. 2.AN ORDINANCE amending the Pittsburgh Code, Title One-Administrative, Article VII - Procedures, Chapter 161 - Contracts, Sections 161.12 and 161.14 which provide for surety bonds on City contracts to permit security in the form of certified checks in lieu of bonds on certain types of contracts.

THE COUNCIL OF THE CITY OF

PITTSBURGH HEREBY ENACTS AS FOLLOWS:

SECTION 1. Section 161.12 of the Pittsburgh Code is hereby amended to read as follows:

"161.12 CONTRACTS IN EXCESS OF \$5,000.00; BID AND PERFORMANCE BONDS.

(a) Bid Bond. Except as otherwise provided in Section 13 hereof 161.13, bids for contracts involving an amount in excess of Five Thousand Dollars (\$5,000.00) shall be accompanied by a bid bond in the amount of fifty percent (50%) of the bid as security therefor in the case of bids for construction or demolition work and a bid bond in an amount not less than ten percent (10%) nor more than fifty percent (50%) of the bid as security therefor in the case of all other bids; provided, however, that the Mayor and the Director of the Department of Supplies may, in their his discretion, advertise for bids to furnish without materials, equipment and supplies and services without bond but with security for such bids in the form of a certified check of the bidder payable to the City in the an amount of not less than ten percent (10%) nor more than fifty percent (50%) of the bid, in lieu of the bid bond.

b) Performance Bond. Except as otherwise provided herein, or in Section 13

161.13 and Section 15
161.15 hereof, the
contractor for any contract
shall, when the contract is
let, execute and deliver a
performance bond in an
amount not less than fifty
percent (50%) of the bid
(cost of the contract) in the
case of a contract for
construction or demolition
work, or a performance bond
in an amount not less than
ten percent (10%) nor more
than fifty percent (50%) of
the bid (cost of the contract)
in the case of any other
contract, with one or more
surety companies legally
authorized to do business in
the Commonwealth of
Pennsylvania as sureties
thereon; provided, however,
that the Director of the
Department of Supplies may,
in his discretion, advertise

percent (10%) nor more than
fifty percent (50%) of the

lieu of the performance
bond. When the contract is
let, the bid bond provided

more than fifty percent
(50%) of the bid (cost of the
contract) in the case of any
other contract.

- (c) Long Term Contracts;
Performance Bond. Unless
otherwise provided in the
contract specifications,
where a long term service
contract covering a period
of two years or more is let,
the contractor shall give the
initial performance bond
provided for in subsection
(b) hereof, Section 161.12
(b), and shall thereafter
during the life of the
contract keep such bond in
effect. The required amount
of the bond, including the
bond for the first year, shall
be based upon the actual
yearly cost of the contract
if known, or if not known,
upon the estimated yearly
cost thereof as estimated by
the director of the

appropriate department. The performance bond for second and subsequent years shall be given at least sixty days prior to the beginning of the contract year to which it is applicable.

- (d) Service Contracts; Reduction in Performance Security. In the case of service contracts where the City holds certified checks as security for performance, the Director of the Department of Supplies may establish procedures for the reduction in the amount of the security over the term of the contract provided, however, that at no time shall the amount of the security for performance be less than ten percent (10%) of the cost of the contract.
